Re: *United States v. Kara Sternquist*, 22- MJ-01005

Dear Judge Bulsara:

Kara Sternquist appeared in court on September 21, 2022, before Your Honor, who issued an order, *inter alia*, that she see a medical doctor by September 23, 2022 to address numerous serious medical conditions. She first saw a medical doctor yesterday afternoon, September 26, 2022. We learned this morning that she was admitted to the Brooklyn Hospital Center yesterday evening. As far as we are aware, she is still there.

We do not yet have a signed HIPAA for Ms. Sternquist because we have been unable to visit her at MDC. When I tried to visit last Friday, I was turned away and told she was in “quarantine.” When a social worker tried to visit this morning, Ms. Sternquist had already been moved to the hospital. Therefore, I am writing to request court orders that the MDC and the Brooklyn Hospital Center provide the Federal Defenders Ms. Sternquist’s medical records and that the U. S. Marshals allow Ms. Sternquist’s legal team to visit her in the hospital. Draft orders are attached to this letter.

Thank you for your time and consideration.

Sincerely,

/s/
Allegra Glashausser
